SP Light and design, la storia continua ...

Nasce, come è stato per Valenti, in un periodo di profonda crisi economica e di cambiamento socio-culturale. Conservare la memoria, trasmettere alle future generazioni i nostri concetti di design, la passione per il bello, l'armonia delle forme, arricchendo il tutto con l'innovazione tecnologica. Questa è la nostra missione.

Preserving the memory, transmit to future generations our concepts of Design, the passion for beauty, the harmony of forms, enriching the whole with the technological innovation. This is our mission.

Préserver la mémoire, transmettre aux générations futures nos concepts de Design, la passion pour la beauté et l'harmonie des formes, enrichir le tout avec l'innovation technologique. Voilà notre mission.

SP Light and Design wird, ähnlich wie Valenti, in Zeiten einer tiefen Wirtschaftskrise und eines soziologischen und kulturellen Wandel gegründet. Als Mission haben wir uns die Bewahrung der Erinnerung gesetzt, unsere Konzepte und unser Design den künftigen Generationen zu übermitteln und weiterhin technologischen Fortschritt mit Schönheit und harmonischen Formen zu vereinen.
